“With action from this Congress, there’s no reason a better America can't begin today.”

WASHINGTON – Congressman John B. La

“Today's jobs report contains some good news: the unemployment rate continues to fall and the private

“Nearly 500 days into the 112th Congress, the Republican majority continues to stonewall any action to

“This Congress is on pace to be the least productive in 40 years; at a time when we can least afford it. T
