

# ATTENTION JOBSEEKERS!

**1. Are you a resident of Berlin, Bristol, Kensington, New Britain, Plainville, or Southington?**

**2. Do you have previous work experience in a manufacturing position?**

If you answered **'YES'** to both of these questions, you may be eligible for the Connecticut Manufacturing Job Match!

## What is the Job Match?

An initiative designed to link workers with verified manufacturing skills to employers with current job openings.

## Why should you participate?

If invited to attend an event, you are provided with services to help you put your best foot forward when meeting with potential employers. These include **resume assistance, interviewing workshops, and assessments for industry credentials.**

At the event itself, you have the opportunity to “speed interview,” with all appropriate employers. This **face-to-face interaction** gives you the chance to distinguish yourself from other résumés and make a positive first Impression!

## How does it work?

Candidates apply online, and those with applicable work-related experience are invited to attend a screening interview, to make sure that their **skills match the needs of our employers.** If there's a potential match, you'll be invited to attend a job match event and given access to valuable jobseeker resources.

## Where do you start?

The first step is to fill out our online application!

1. Visit [www.ctdol.state.ct.us](http://www.ctdol.state.ct.us)
2. Click on the button on the right for the **Connecticut Job Match Initiative**
3. Select the first link: **Connecticut Manufacturing Job Match**

**The event is scheduled for Nov. 15th!  
Don't miss out... apply TODAY!**
