LARSON HONORS THE LIFE OF CONGRESSMAN ROBERT N. GIAIMO

WASHINGTON, DC – U.S. Congressman John B. Larson (CT-1) today released the following statement on the late Congressman Robert N. Giaimo:

Bob was a great friend and mentor. He served the 3rd Congressional District of Connecticut with dignity for twenty-two years during a tumultuous time in our nation's history. Even after leaving Congress over two decades ago, he continued his tradition of service. My condolences go out to Marion and the rest of Bob's family. He will be missed.
